FAREPORT
SKILLS FOR THE FUTURE

Healthcare Support Worker

Level: 2

Duration: 13 – 15 Months

Entry Requirements:

- Candidates should already be working within a clinical role within the Care sector.
- Ideally you will be working at Level 2 Maths and English or have achieved an A* - C grade GCSE in Maths and English.
- DBS Certificate

Overview:

The Healthcare support workers qualification is ideal for those that work as part of a team providing high quality and compassionate care to individuals. You will carry out well-defined routine clinical duties such as, monitoring an individual's conditions, checking on their overall progress, comfort and wellbeing.

To successfully achieve this qualification you will prepare individuals for healthcare activities carried out by other members of the healthcare team, looking after them before, during and/or after those activities in line with their care plan. You will also carry out non-clinical duties. You will be able to address straightforward problems in your day to day work, reporting concerns and changes to the appropriate person in a timely manner.

Qualifications Awarded:

- Healthcare Support Worker Apprenticeship Standard
- Functional Skills Maths
- Functional Skills English

Key Topics:

- Health Intervention
- Basic Life Support
- Duty of Care
- Safeguarding
- And much more...

Assessment Methods:

A variety of assessment methods will be used to demonstrate knowledge and competence:

- Workbooks
- Assignments
- Product evidence
- Reflective accounts
- Discussions
- Witness testimony
- Observation

End Point Assessment

End point assessment or "EPA" has been created to assess the knowledge, skills and behaviours gained throughout the qualification. EPA is conducted by an external independent body chosen by the employer. EPA offers the chance to showcase your skills and be awarded a grade that reflects your performance. EPA will consist of the below activities:

- Multiple Choice Test
- Observation of Practice
- Evidence Portfolio and Interview
