

# Free Microsoft License when you are enrolled on a programme with Fareport

- The student license enables you to work on your assignments from any device (computer, tablet or phone)
- This includes Online only versions of OneDrive, Word, Excel, Powerpoint and OneNote.
- You will not be able to download the desktop versions but the online versions have full functionality when you are connected to the internet.
- You can then upload your work onto OneFile for your trainer to review.

Please send your full name and preferred email address to [microsoft@fareport.co.uk](mailto:microsoft@fareport.co.uk) to request your login
