Adult Care Worker

Level 2

13 Months + EPA

Overview

To work in care is to make a positive difference to someone's life when they are faced with physical, practical, social, emotional or intellectual challenges. This qualification is ideal for those that work within the Adult Care sector and are looking to develop their knowledge, skills and behaviours to further their career and deliver and exceptional service. To successfully achieve this qualification, you will be working as a frontline member of staff and will help adults with care and support needs to achieve their personal goals and live as independently and safely as possible, enabling them to have control and choice in their lives.

Training Requirements

Candidates should already be working as a frontline member of staff within the Adult care sector. Ideally you will be working at Level 1 Maths and English or have achieved an A* - C grade GCSE in Maths and English.
